

## 54th Annual Meeting of the European Association for the Study of Diabetes

1-5 October 2018

**Re: 54th EASD Annual Meeting, Berlin, 1 - 5 October 2018**

Dear Dr. Johnston,

This year the Association accepted 1218 abstracts for presentation during the 54th EASD Annual Meeting. All abstracts were considered anonymously and scored by five independent reviewers in eight categories. The Final Programme was selected by the Programme Committee, namely: Romain R. Barrès, Denmark, Francesco Beguinot (Chair), Italy, Fatima Bosch, Spain, Gian Paolo Fadini, Italy, Francesco Giorgino, Italy, Anna Krook, Sweden, Hidde Lambers Heerspink, Netherlands, Elisabeth Mathiesen, Denmark, Peter Nawroth, Germany, Anne Peters, United States, Massimo Porta, Italy, Michael Roden, Germany, Raphael Scharfmann, France, Anders Tengholm, Sweden, Emmanuel Van Obberghen, France, Mark Walker, United Kingdom.

We are pleased to inform you that your abstract: **"Leg length, a marker of early childhood conditions, associates with specific clusters of serum fatty acids"** has been accepted for **POSTER** presentation, with presentation number **306**. EASD ranks poster and oral presentations equally: every poster will be discussed at one of the poster discussion sessions.

**All posters have to be on display for the duration of the Meeting from Tuesday, 2 October 2018, 12:00 pm until Friday, 5 October 2018, 12:00 pm**

There will be six Poster Discussion Events. You must ensure that you are present at your poster for the whole duration of the session scheduled:

**Thursday Oct 4, 2018 1:15 PM - 2:15 PM**

**Poster Session: PS 006 Diabetes progression**

The presentation must be in English. An average of 3 - 5 minutes will allow for each author to present his/her poster, followed by open discussion of 3 - 5 minutes (depending on the number of abstracts in the poster session). Presentation instructions will be available on the EASD website <https://www.easd.org/>. Your abstract will be published on the Association's website and in the online version of Diabetologia.

You are respectfully reminded that it is **mandatory for the author to present his/her work**. If, for any reason, you are unable to participate in this meeting, you are required to notify EASD immediately who your replacement will be ([abstracts@easd.org](mailto:abstracts@easd.org)). Failure to do so may result in a ban on presentation for the following three years.

If you have not already registered, please **register online before 11 July 2018**. After this early registration deadline, the fee increases considerably. The EASD Symposia are already available on the Association's website. The abstracts will be made available on 01 July.

Yours sincerely,

Dr. Monika Grüßer  
Managing Director and Chief Medical Officer EASD
